

Temporary Closure

The safety and well-being of guests and staff is our priority; therefore, we have made the decision to temporarily close our restaurant during the international outbreak of COVID-19. We believe this supports the recommendations of the government and health officials and will continue to follow their advice as more information is known.

We have tried our best to contact all of our guests with reservations during this closure period to cancel your booking, and are truly sorry we cannot accommodate you at this time.

We recognise this will be disappointing news and we would like to thank you for your patience and understanding in these exceptional circumstances.

The Richoux Team
